

Troop 1656 Meetings

Meetings:

Scout meetings are held weekly on Monday night at the Sacred Heart Catholic Church.

- Every Monday meeting will have an organized activity that will be planned ahead of time and prepare the scouts for that month's campout.
- Meetings will start at 7:05 PM with flags (please try to be there by 7 PM)
- The scouts will sit by patrols
- After flags, the SPL / ASPL will make some quick announcements, and then the boys will go to their patrols designated areas.
- ASMs and parents will be assigned to each patrol and will join them during patrol time. They are there as mentors to offer guidance and help the patrol stay on task. The patrol leader or another scout will lead the patrol activity.
- Patrol time will run about 30 to 45 minutes depending on what else we might need to cover.
- After the patrol activity is complete, the patrol will then work on advancements and sign-offs.
- Please encourage your son to bring his book to every meeting to work on advancements.
