

Troop 1656 Campouts

Monthly Campouts /Activities:

Each month the troop does a different activity and for each of those months ASMs are assigned to organize that campout / activity. With our troop approaching 100 scouts plus adults it is very challenging to organize each of these campouts and WE NEED HELP. Below are the basic items that everyone can do to help:

- First, encourage your son to attend as many campouts as possible. Every campout is different and offers a new opportunity to make a life time of memories.
- The deadline to signup for a campout is the Monday meeting before the campout. If you miss this unfortunately you will not be able to attend. Please understand I am not trying to be difficult but the boys need a good head count so they can go shopping for the food.
- If you sign up for a campout and are unable to attend you must cancel by the Monday meeting before the campout. If you cancel after that you will lose that money. Again, I am not being difficult but with the boys shopping for the food it is hard to communicate changes.
- Campouts cost \$20 per scout and \$11 per adults.
- Please pay Ms. Lou for the campout.
- Some campouts do have an additional cost. An example of this is our canoe trips. The troop does everything we can to minimize the cost.
- In order to go camping we need to ensure we have drivers to get everyone there and back. This is another way to volunteer and support the troop. I never have and hope that I never will have to tell a scout he can not go camping because we do not have enough seats.

Refer to the troop web site and calendar for the upcoming campouts.
